

Oppose SB 5395 and HB 2184

Legislators need to oppose SB 5395 and HB 2184 in 2020 because it would require every school district to implement Comprehensive Sexual Education (CSE) for every public-school child Kindergarten through 12th Grade.

1. CSE, driven by Planned Parenthood, seeks to sexualize children all the way down to Kindergarten. CSE teaches a sexuality that is contrary to God's Word, encouraging sexual experimentation, affirming Gender Dysphoria and Same-sex Attraction.
2. SB5395 and HB 2184 violate the local control of parents and the elected school boards. People in many areas of Washington do not want CSE as defined by the Office of the Superintendent of Public Instruction (OSPI). This opposition and the successful rejection of the OSPI-approved FLASH curriculum by parents and faith-leaders in Battle Ground and Sequim would be impossible if SB 5395 or HB 2184 passed.
3. School Districts should have the flexibility to work with parents to find age- and culturally appropriate education materials for their students.
4. SB 5395 seeks to make CSE 'integral' to the district's curriculum. Usually, integration means cross-teaching, or integrating, curricula into one another – Math into English, Science into History, etc. Doing so with CSE would make it impossible for parents to 'Opt-Out' their children from CSE.
5. SB 5395 requires the CSE curriculum to be 'skills-based.' 'Skill-based' means teaching the skill, allowing the students time to practice the skill, and assessing the student's proficiency in the 'skill.' The most obvious, but certainly not the only, 'skill' would be condom usage. One must ask, what other 'skills' will teachers of CSE be teaching and assessing in these required classes?

Talking points for Christians:

1. This bill will encourage anti-Christian behaviors and persecutions.
2. Many of the encouraged and promoted practices and activities (sexual activity, sex change operations, gender disorder, chemical castration, sodomy, porn, etc) cause great harm to children, thus actually child abuse.
3. The groups behind this are long time opponents of Christians who are actively trying to destroy contemporary religious organizations and practices.
4. This is not about education or teaching science or facts, it is indoctrination of children by Planned Parenthood, the Sexual Orientation and Gender Identity Movement, neo-Pagans (Nonbelievers), and the new Socialists in order to change our culture and values on sex and marriage.
5. It is designed to teach children to hate or leave their parents and their Christian (and Jewish, Muslim) faith.
6. The science and studies actually show that the sexual values, ideas, and practices behind this bill actually lead to sexual practices and lifestyle choices which will hurt children, and lead to more abortions.
7. Abortions, STDs, suicides, nihilism, violence, poverty, homelessness, drug use, vices, gov't budgets and control and other destructive behaviors will increase.
8. Marriages, children, stable communities, and civil societies will decrease.
